

MAVERICK SWIM CLUB - 2024 AGE GROUP STROKE CLINIC

The Age Group Stroke Clinic is for swimmers ages 10 and under, including Maverick swimmers who trained in PreCore and Core 1 during the 2023-24 Fall/Winter Short Course Season. Interested swimmers who are NOT current Maverick swimmers should visit the [Join Maverick](#) page of the website and complete the [Swimmer Interest Form](#). We will contact you in the event of an opening for your swimmer.

Practices scheduled three days per week (Tuesday, Wednesday, Thursday) from 4:15 - 5:00 pm at [Central Park](#) (southeast corner of Naperville & Warrenville Roads).

FEE INFORMATION

PRACTICE GROUP	PROGRAM DATES	FEES: Pay in Full at registration
Age Group Stroke Clinic	April 16 – May 9	\$120

Stroke clinic swimmers who are not current USA Swimming members must register as a USAS “flex” member. This membership fee is \$40 payable to USA Swimming and is required for insurance purposes. We will email registration instructions to affected swimmers who must then register with USA Swimming prior to beginning practices.

Stroke Clinic swimmers NEW to Maverick who continue for the 2024-25 Fall/Winter Short Course season will be required to upgrade to a full/premium membership. It is possible that not all Stroke Clinic swimmers will be offered a spot on the fall/winter short course team. Current Maverick swimmers are already USA Swimming premium members.

GENERAL INFORMATION

Waivers, policies, and the Maverick Handbook are posted on the website. During registration, you will affirm that you have read and agree to abide by the information and consequences contained in those materials. Failure to read waivers, policies, or the Handbook does not excuse a family or swimmer from those obligations.

MEET ENTRIES, MEET FEES, & MEET-ONLY SWIMMERS

We offer swim meet opportunities beginning in May and ending with championship meets in late July and early August. For each meet a swimmer enters, there are meet entry fees charged by Illinois Swimming and the meet host. For full information about meet entry and fees, please see the Maverick Handbook found on the website.

With coach approval, stroke clinic swimmers are invited to sign up for long course meets from May through July. Flex members are allowed to swim TWO meets during the 2024 season; premium (full) members are allowed unlimited meets.

- For **EACH** meet a Meet-Only Swimmer **ENTERS**, their account will be charged associated meet fees and a \$25 administrative fee. These fees will be charged on an “as entered” basis, not on an “as attended” basis.
- Meet-Only swimmers must be registered as Maverick swimmers for the 2024 USA Swimming calendar year.

CANCELLATION/WITHDRAWAL FROM THE PROGRAM

Notice of intent to cancel/withdraw a swimmer's registration must be given in writing to Maverick Swim Club (admin@mavswim.org).

- No refunds will be given after the start date for the assigned training group.
- The first 25 percent of the group fee is non-refundable at any time.
- Meet fees incurred by the club on behalf of the swimmer are non-refundable.
